

Magnesia – Your specialist for Nutritional & Health Supplements

DC GRADES

MagGran®

PRODUCT	
Calcium carbonate, DC (with or without binder)	Magnesium citrate, DC
Calcium citrate, DC	Magnesium hydroxide, DC
Calcium phosphate, DC	Magnesium lactate, DC
Magnesium carbonate, DC	Magnesium oxide, DC

CHELATES

MagChel®

PRODUCT	
Calcium bisglycinate	Magnesium bisglycinate
Copper bisglycinate	Manganese bisglycinate
Ferrous bisglycinate	Zinc bisglycinate

MINERAL YEASTS

PRODUCT	
Chromium yeast	Molybdenum yeast
Magnesium yeast	Selenium yeast
Manganese yeast	Zinc yeast

Most of our main products are available in several grades concerning quality, bulk density, particle size and origin. Further raw materials, additives and active substances are available upon request.

TRACE ELEMENTS

PRODUCT	
Copper gluconate	Manganese citrate
Copper sulphate	Manganese gluconate
Ferric pyrophosphate	Manganese sulphate
Ferrous citrate	Sodium molybdate
Ferrous fumarate	Zinc citrate
Ferrous gluconate	Zinc gluconate
Ferrous lactate	Zinc oxide
Ferrous sulphate	Zinc sulphate

MMXXVIII

Magnesia – Your specialist for Nutritional & Health Supplements

INORGANICS

PRODUCTS	
Magnesium carbonate	Magnesium oxide
Magnesium chloride	Magnesium phosphate
Magnesium hydroxide	Magnesium sulphate

INORGANICS

PRODUCTS	
Calcium carbonate	Calcium oxide
Calcium chloride	Calcium phosphate
Calcium hydroxide	Calcium sulphate

ORGANICS

PRODUCTS	
Magnesium ascorbate	Magnesium malate
Magnesium aspartate	Magnesium orotate
Magnesium citrate (various hydrate forms)	Magnesium pidolate
Magnesium gluconate	Magnesium stearate
Magnesium lactate	Magnesium taurate

ORGANICS

PRODUCTS	
Calcium citrate	Calcium orotate
Calcium gluconate	D-Calcium pantothenate
Calcium lactate	Calcium pidolate
Calcium malate	Calcium stearate

POTASSIUM

PRODUCTS	
Potassium bicarbonate	Potassium citrate
Potassium carbonate	Potassium phosphate
Potassium chloride	Potassium stearate

SODIUM

PRODUCTS	
Sodium bicarbonate	Sodium citrate
Sodium carbonate	Sodium stearate
Sodium chloride	Sodium sulphate
